Hello Tim,

That does help! Would I be able to forward this to Julie to see if she can sit in? She has been out recently but was initially the one working on the treated seed label table template so she may be able to help answer questions regarding that language.

Thank you,
Quinn

Good morning Quinn. Good question. This meeting is to discuss with USDA the ESA directionally correct ecological risk mitigation prior to the ESA/registration review webinar on 11/17. I think Melanie suggested I invite you and Sue and Linda in case there are questions regarding the treated seed risk mitigation. Is this response helpful? Thank you.

Good Morning Tim,

Are we invited to this meeting to discuss treated seeds with USDA? If so, can I forward this meeting to Amber and Julie to participate as well?

Thank you,
Quinn
